Linkage Gazette	Integration of the patents list	✓ FEBRERO 2017 AGOSTO 2017

NAFTA

- ✓ **1. Identify scenarios and imminent risks in total issues** (*RDP; Patents criteria; Imports; Bids*) **for:**
- ✓ **2. Set Postures:** *“RE-NEGOTIATION OF NAFTA Risks and Opportunities from AMIIF perspective”*
- ✓ **We asked PhRMA and BiO to have a position.*

3. Work out a strategy that involve:

- i) Authorities (SE/IMPI),
- ii) Allies in the E.U. (PhRMA; BiO);
- iii) Embassies;
- iv) Private sector (CONCAMIN / CCE) and
- v) Academy (SEPI / Schools);

4. Implementation of specific actions; Feasible solutions and their follow-up.

AGREEMENTS WITH EUROPE

- I. EU-Mexico Free Trade Agreement.
- II. European Free Trade Association. *Iceland; Liechtenstein; Norwaw and Switzerland.*

- ✓ 1. Meeting with local authorities (SE) in order to know the texts proposals.
- ✓ 2. Sending the documents to SE with AMIIF comments.
- 3. Participation in negotiation meetings (**Cuarto de Junto*)

**the possibility in the law for the private sector to be Heard and Provide information with the Delegates of the Mexican Government when discussing a free trade agreement.*

Legislative reforms

- I. AMIIF will continue working with the Mexican authorities towards a successful implementation of Agreements as (TPP/NAFTA) in the domestic legislation for the benefit of our country.
- II. Key issues to concern:
 1. Linkage Regulation to use patents.
 2. Clinical Data Protection for chemical synthesis and biotech products. (at least 5 years of protection; for biotech products the time of protection should be longer)
 3. Patent Extension/Compensation by considerable delays.
 4. Weak patent enforcement.

Academy and Authorities

- I. AMIIF will continue working with the Academy and Authorities in order to preserve and improve the Industrial Property standard.
- II. Presentation of study results by Pugach and WiFor.
- III. USTR / PAHO issues
- IV. Enforcement against patent violations and piracy.

Linkage Gazette 2017

- I. January and August (each semester)
 - Use and second use patents are not considered by the MIIP in the Linkage Gazette.
 - In order to publish them it is needed to so through a judicial proceeding before a Court (2 to 3 years).
